Customer Reviews

This book is not only beautiful, it just sparkles with energy. Every recipe that I have tried is just outstanding! I recently had a luncheon and served the Asparagus Tart, salad with the Soy Orange Vinaigrette dressing and Key Lime Cheesecake. The meal was a real hit with my friends and the recipes were so simple that I could easily do it again! The one thing that impresses me most about this cookbook is that the recipes are straightforward, easy to follow, and delicious. I'm sure this cookbook will be used repeatedly and not sit on the shelf. The chef and celebrity recipes are great additions and the sidebars about the recipes and chefs are interesting reading.

I received this cookbook as a gift. It didn't get stuck on the shelf; I spent several evenings looking through it. The layout and use of color and photos as well as the periodic commentary makes it great for pleasure reading. But it's a wonderful cookbook, too. I have tried several recipes already, and every one has been a success. Many are simple enough for family meals as well as savory and elegant enough for entertaining. I will be using this cookbook regularly.

This cookbook has great visual appeal, as well as excellent recipes that are not difficult to make - at least those that I have tried are not. "Salt-Encrusted Beef Tenderloin" produced the best tenderloin I have ever made and the "Garlic Cream Cheese Mashed Potatoes" are absolutely the best! I've tried several other recipes with equal success. This book would make a wonderful gift for anyone who enjoys cooking or just reading cookbooks.

This wonderful cookbook has recipes from celebrities (David Cassidy, Phyllis McGuire, Rosie O'Donnell, Lance Burton) and chefs from the major Strip Hotels (Caesars Palace, Las Vegas Hilton, Spago, Rio, MGM). I found the recipes very straight-forward and easy to read. Color is the word for this book. In addition to the bright colors on the cover, those colors are carried out through the book in each chapter. There is information about Las Vegas, the surrounding areas, etc. I found it an interesting read. The pictures of the food in this book make your mouth water. I could not believe the recipes were makeable for the food I saw! The recipe on the cover was a watermelon sorbet/salsa shrimp cocktail. Only in Las Vegas! It made me glad to know that all the money generated from the sale of the book go back into the Las Vegas community. I had difficulty obtaining a copy here, they kept selling out.

Anyone who has read a Junior League cookbook knows the quality. This book is one more diamond on their necklace. Quality of content, the paper and photographs...buy it.
