Customer Reviews

Coca-Cola bean bags are instantly recognizable by their bottle of Coke. But while Polar Bears are obvious, it's harder to distinguish Jaguars from Cheetahs. Luckily, this handsome book contains large, colorful photographs and pertinent details to help a collector manage a wide variety of Coca-Cola bean bags critters. And, the comprehensive list of all Coca-Cola bean bags in Appendix A is a very useful feature to track what's in your collection. The chapter on tags is especially helpful, with highly readable photos of the in's and out's of the authentic tags. It's too bad the country flags were not similarly illustrated for the International sets so we could learn more about the country each critter came from. Still, it's a great book to show kids what different animals look like in all the countries where Coca-Cola is sold.

this book is very nice. has beautiful pictures inside and is good size. any person who loves stuffed animal\s will love this book. Thank you
