Coin Folders Half Dollars (Liberty Walking, 1916-36)

Synopsis

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.

Customer Reviews

This book was indeed what I was looking for but watch out for different versions in other books. For example, Whitman published 2 versions of the state quarter collection one that has slots for both mint marks and one that doesn't. one version requires 3 volumes to fulfill the collection the other only 2. so I bought volume one of the one with three volumes thinking it was volume one of the one with two and when I got it I was missing about 2 years in slots. I couldn't tell it was different by looking because I thought there was only one volume one and it said "volume one"

I've used whitman coin folders for some time and it's a great way to store coins that are not certified. It also gives you quick visibility on the coins your missing in your collection. Highly Recommended.

great to use to get to know your kids a little better through the world of currency... I love the look on face about coins that were made before they existed

This coin book is a great quality product. it arrived quickly and well packaged. Will purchase from this buyer again.
